Dear Valued Partner,

Every year disasters of all kinds affect Northland businesses and families placing stress upon the community response framework. From fires to floods and everything in-between, there is a high probability of another disaster striking Minnesota & Wisconsin. The effectiveness of response by the response community is dependent on their ability to connect, learn and share in preparedness.

With this in mind, the Under One Roof planning committee is excited to announce its **11th Annual Under One Roof Conference** to be held at the Duluth Entertainment Convention Center on **May 16-17, 2023**. This Conference offers excellent networking opportunities and a wide range of conference sessions for emergency preparedness and planning. The Under One Roof Conference mission is to provide response partners at all organizational levels with a venue to *connect, learn* and *share*. Participants *connect* with regional preparedness and response partners, *learn* innovative and effective techniques for future activities, and *share* lessons learned from recent responses.

This conference offers you the opportunity to build awareness for your brand among disaster response and management professionals from Jurisdictional Emergency Management, Emergency Medical Services, Public Health & Human Services, Volunteer Organizations, Emergency Communications, and Healthcare Systems. The conference is an ideal setting to engage with individuals interested in learning more about solutions to overcome the unique challenges facing emergency preparedness, management and response professionals.

As a sponsor and/or exhibitor, you will have a great opportunity for direct marketing and advertising while supporting quality education for hundreds of emergency responders. On behalf of the planning committee and our participants, I hope that you will choose to partner with us for another great year!

Sincerely,

Dave Sletten, Douglas County Emergency Management

Under One Roof Sponsor/Exhibitor Team
